Elba mayor hosts 'State of the City' meeting to give project updates

by Ferrin Cox, Publisher

Elba Mayor Mickey Murdock hosted what some have described as a 'State of the City' meeting last Thursday evening, March 7th. Over 75 citizens were in attendance.

Billing it as 'Facing the Future - Together', Murdock opened by expressing his appreciation for the support he continues to receive as mayor and discussed the things he hopes to get done in the next two years. He related that at a meeting two years ago of Design Alabama five other mayors attending all expressed the same problem - the need to revitalize their downtown areas.

Murdock said the city has received \$9 million in grants and is actively working for a \$5 million grant for upgrade of the infrastructure within the City of Elba.

Others who addressed the assembled group with news of ongoing projects included Scott Trott with CDG Engineers with an update on the sewer system improvements; DeAnn Grantham of Southern

Engineers with the progress of the Downtown Revitalization project; and Recreation Director Greg Hanchey with a progress report on the improvements at Hawkins-Williams Park.

Trott said the aging and damaged sewer system has reached a point of requiring major upgrades. He explained that the age of the system and the continuing tightening of environmental rules require a major investment.

The system must release waste water into the rivers after removing at least 85% of the foreign materials. The requirement becomes harder in Elba because of the massive leaks in the sewer drains which allow rain water to seep into the system.

Trott said he expects construction to start on the sewer upgrades in November of 2019 and be completed in 2020.

DeAnn Grantham, of Southern Engineers, has been managing the Downtown upgrade project. Thus far a grant of \$450,000 has been approved for this work.

Grantham estimates work will begin in earnest

in July or August of this year. It will be coupled with some local matching funds and a huge contribution for work on the old theater from Restoration 154.

Recreation Director Greg Hanchey updated the group on the renovations at Hawkins Williams Park. This \$320,000 project is being done with a 50-50 grant from the National Park Service.

Hanchey said work on the playground at the ball park should begin in June or July after the youth baseball/softball seasons are completed for 2019.

Hanchey also introduced the group to Pickle Ball and promised that courts for this fast-rising game will hopefully be constructed after this other work is completed.

Murdock closed the meeting with a wish list of things needed for Elba to continue progress. This included attractive housing construction, for rent and for sale, adoption of rental housing standards, revised subdivision regulations, developing the Industrial Park and other perks that will draw people to the community.

DeAnn Grantham, an engineer with Southern Engineers, has been overseeing the Elba Downtown Revitalization project for the City of Elba. She provided an update to citizens last Thursday evening on this project and said she estimates work will begin in July or August.

Elba students receive "Christian Athlete of Year" awards

by Linda Hodge, Editor

Wiregrass FCA [Fellowship of Christian Athletes] held its awards night Sunday, March 10, at Ridgecrest Baptist Church in Dothan, Ala.

This was an evening to honor Christian athletes across the Wiregrass area. The assembled group of high school athletes and their family members heard a great testimony from keynote speaker Neal Jeffrey, former Baylor and NFL quarterback, during the evening's program.

The Wiregrass FCA has 56 active school huddles consisting of an average of 2,310 students meeting regularly. One of those huddles [school club] is at Elba High School.

The vision of FCA is to see the world transformed by Jesus Christ through the influence of coaches and athletes. Its mission is to lead every coach and athlete into a growing relationship with Jesus Christ and His church.

During last Sunday night's awards ceremony, "Christian Athlete of the Year" awards were presented to each one female and one male student from the participating schools. The awarded students exemplify the goals of FCA not only in their schools but also in their communities.

For Elba High School, the Wiregrass FCA "Christian Athlete of the

Coffee County BOE hires new football coach for Kinston

by Linda Hodge, Editor

The Coffee County Board of Education held its regular monthly meeting Thursday, March 7, and several personnel matters were handled by board members during the meeting.

Board members noted the schools are losing lots of years of experience with upcoming retirements that were approved during the meeting. Three longtime employees submitted retirement letters for consideration.

Superintendent Kevin Killingsworth recommended approval and board members voted to accept the retirements of Cara Hussey, guidance counselor at Zion Chapel; Julie Jackson, English teacher at Zion Chapel; and Sandra Skinner, P.E. teacher at Zion Chapel. Each will retire at the end of her current contract, according to the superintendent.

The Alabama Farmers Federation's annual the 2019 Young Farmers Conference in Montgomery was March 1-3.

Farm tours, back by popular demand for the third consecutive year, showcased some of the state's most impressive operations, lending invaluable insight to agriculture's up-and-coming generation.

"For me, this is a reunion. A lot of Young Farmers went to school together, built relationships there, and we only see them once a year — at Young Farmers Conference. You also build connections through other people," said State Young Farmers Committee Chair Garrett Dixon of Lee County. "By going on farm tours, you can apply that to your farm. We grow cotton, but we

were recommended by Killingsworth and approved by the board. Stephanie Clafford, science teacher at New Brockton High School, will fulfill her current contract before resigning her spot. Brad Barton, math teacher and assistant football coach at New Brockton High School, resigned effective March 4th.

Scott Crosby, agriscience teacher at Kinston, was approved for catastrophic leave from Feb. 4th until June 3rd.

A long-anticipated hire for Kinston School came when board members approved Killingsworth's recommendation of Rudy Free to be the new head varsity football coach and a teacher at that school.

As for classified personnel, the board approved the hire of Regena Adams as the cafeteria manager for New Brockton Elementary School, beginning March 11th.

During a work session

prior to last Thursday evening's meeting, a presentation from the transportation director for the school system spelled out a need for vehicles to be purchased for the school system.

Two full size sedan vehicles (1997 and 1998 models) have been used for many years as Driver's Education vehicles for the school system. Killingsworth said the cost to repair the vehicles is no longer cost effective, and it would be best to replace those worn-out vehicles. He also noted that increased enrollment in the schools had increased the need for more Driver's Ed classes over the summer months, which means the need of an additional vehicle as well.

After looking at proposals on the most cost-effective way to purchase the vehicles, Killingsworth

"It is a denial of justice not to stretch out a helping hand to the fallen; that is the common right of humanity." - Seneca

Donation scams following the tornado disaster are out there. A con artist doesn't care who is hurting, etc., if there is a chance to make a fast buck without working for it. The Lee County DA warns that this disaster is no exception as the con artists are using every trick they know to get into the pocketbook of goodhearted folks. Don't let it be yours by knowing exactly where your donations are going.

There is lots of praise for the volunteer support the Lee County folks are getting following last week's deadly tornado. Some of those praising the magnitude of the support seem surprised but we are not a bit surprised. Elba has seen its share of disasters and the help and support comes out of the woodworks – every time. Of course the South is a giving section of the country but our experience is that the entire country has a giving heart following a disaster. It would be even sweeter if there was some way to turn the con artists mentioned above to channel their energy into positive efforts FOR these victims.

There is a plan being batted around Washington that would allow the Social Security Administration to issue early years 'time out' for family members to not work and draw (or borrow) a SS check with a promise to work extra years on the end to make up for it. Of course health issues, being laid off and not able to get a job, etc., could cancel that promise. The SS program is already in danger of running out of money and adding another way to draw money from the system will only endanger the integrity of the trust fund for everyone. Hopefully this idea will wither away before it becomes another drain on society.

The Alabama gasoline tax being handled in this special legislative session appears to be on the fast track for passage. The House of Representatives passed it with all area members voting yes. This includes Rep. Chris Sells, R-Greenville; Rep. Rhett Marques, R-Enterprise; Rep. Mike Jones, R-Andalusia; Rep. Steve Clouse, R-Ozark and Rep. Wes Allen, R-Troy. Monday afternoon it appeared the Senate was moving even more solid in support of the bill. Well, we don't like some of the details that are buried in the small print. If this is approved as it came out of the House, we can expect automatic tax gas increases every year or so, on a regular basis, without any more voting by anyone. Someone needs to put the brakes on those clauses of the tax bill but alas it will not be the politicians in Montgomery.

The Mike Hubbard matter just will not go away. His long ago conviction and several failed appeal attempts have not ended his options and he still has not begun serving his sentence for the conviction. This week the Alabama Supreme Court granted Hubbard and his lawyer, Bill Baxley, a hearing before that supreme body. Even with the issues surrounding his conviction fading from the public's minds, this hearing will bring it all up again, regardless of the outcome before the judges. Every citizen is entitled to a fair trial and that applies to Hubbard as well. For the sake of Alabama's place in the headlines, we hope this issue is soon settled one way or the other.

recommended purchasing three Ford Taurus full size sedan vehicles at \$20,244 each off the state bid via Stivers Ford Lincoln in Montgomery, Ala. to be used as Driver's Ed vehicles during the summer. When these vehicles are not being used for Driver's Ed, Killingsworth said they will be kept at the central office and used by administrators and staff for travel reasons.

The board also approved the purchase of two additional vehicles. A Ford F-150 ½ ton Extended Cab 4x4 truck was approved for purchase off the state bid via Stivers Ford Lincoln in Montgomery. This truck will be used as a work truck for the transportation department. A Ford Explorer 2WD Mid-size SUV was approved for purchase off the state bid at \$23,989 to be used by the central office.

Board member Eric Payne cast the lone no vote to the motion to purchase the vehicles recommended by the superintendent. While no explanation was given for his no vote, Payne

had suggested during the work session possibly purchasing three Ford Fusion vehicles off the state bid to be the Driver's Ed vehicles. The Fusion is priced at \$16,798 on the state bid list.

Two of the school system's principals will go from probationary principals to contract principals at the end of their current term. New Brockton High School principal Alonzo Barkley and Kinston School principal Danny Branch each were approved for 3-year contracts with the school system as principals.

Also during last week's meeting, board members approved the 2019-2020 School Calendar for the Coffee County School System. The calendar has 180 instructional days included in it. It also includes seven teacher professional development days.

The next regular meeting for the Coffee County Board of Education is set for Thursday, April 4, at 5:30 p.m.

Never Say Goodbye

Alma,
You were a Great
Wife, Friend and
Companion
Love Forever,
Jimbo

There can be no goodbyes for us
It'd be too painful, dear
Our connection still lives on
Although you're far from here

I miss the times that we once had
But one day, once again
I'll hold you close and laugh with you
I just wish I knew when

Each moment 'til that day arrives
Until my time is through
I'll miss you more than words can say
And always think of you

I'll look for you among the stars,
And each dawn's pastel sky,
And whisper words of love to you
But never say goodbye

CHURCH NEWS

PASTOR'S CORNER

PHILIP BOX, MINISTER
ELBA CHURCH OF CHRIST

Solomon was like many of us in that he wanted to understand the meaning of Life. In his search, he had a great deal to say about riches. He wanted us to understand that loving money and stuff in general will only lead to hurt, because money and material things will never bring true happiness.

"He that loveth silver shall not be satisfied with silver; nor he that loveth abundance with increase: this is also vanity." (Ecclesiastes 5:10) We should enjoy the fruit of our labor as a gift from God. "Every man also to whom God hath given riches and wealth, and hath given him power to eat thereof, and to take his portion, and to rejoice in his labour; this is the gift of God."

If God gave you the power to get money and the strength to enjoy some of what He has given, then you should be happy. Remember, material things do not bring true and lasting happiness, the key to real joy is for God to rule our life. Loving God, Loving Others, and Serving the World is what we are about as a church and as individuals.

The member congregations of the Elba Ministerial Alliance are collecting clothes for our clothes closet.

Let me encourage you to support the Cornerstone Clothes Closet with items needed but not normally received...

Blankets
Sheet sets (any size)
Men's undershirts (L, XL, and 2X)
Men's underwear
Men's socks
Boys and girls underwear
Children's socks
Women's socks
Men's shoes
Boys and girls coats

Our members are currently collecting these items until April 14th. If you have questions about this project or any of our other projects please call 334-897-2057 or 334-897-2219.

FARM (Continued from Page ONE)

Young Farmers, who are 18-35 years old, to the Capital City Friday evening. The Chilton County farmer encouraged the crowd, which packed the Renaissance Hotel in Montgomery.

"I have lifelong friends I made years ago in a room just like this," said Parnell, a former State Young Farmers Committee chairman.

A live auction featuring handmade goods, Young Farmers gear, tools and agriculture-themed toys raised \$7,530 for the Alabama Farmers Agriculture Foundation, which benefits ag and

forestry scholarships. Also during the conference, contestants competed in interviews to be Alabama's 2019 Outstanding Young Farm Family (OYFF).

OYFF division finalists were named. Jonathan and Sara Sanders of Coffee County, were named the Outstanding Young Farm Family Peanuts division.

Elba's Skylar Mitchell to take part in Envision's NYLF summer program

This summer, Skylar Mitchell, of Elba, will join outstanding elementary school students from across the United States to take part in a unique academic and career-oriented development experience, the National Youth Leadership Forum [NYLF]: Pathways to STEM, taking place in Atlanta, Ga. at Agnes Scott College.

NYLF Pathways to STEM is one of the Envision family of programs that enable students to explore their interests and experience learning beyond the classroom. Skylar was nominated to attend the forum by his enrichment teacher, Lindsay Swan, at Elba Elementary School.

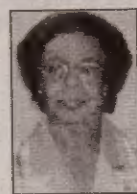

In addition to participating in the enrichment program, Skylar is also a Peer Helper. He has dreams of one day becoming a chef or a surgeon. Skylar is looking forward to gaining the hands-on medical experience that the forum provides to further his future career.

Skylar is the son of Keni and Sara Mitchell of Elba. He is a fourth grade student at Elba Elementary.

"As an alumna of Envision myself, I am excited for Skylar to meet, work, and collaborate with fellow high-aspiring students from other cities and schools," said Amanda Freitag Thomas, SVP for Envision. "Hands down, my favorite part of attending an Envision program was being with motivated students in an environment designed to help us challenge our assumptions, meet new people, and grow."

LODGING TAX BILL

Synopsis: Coffee County currently does not levy a lodging tax. This bill would levy a 4% lodging tax in Coffee County, provide for the collection of the tax and the distribution of the proceeds from the tax. One-half of the proceeds collected within the corporate limits of any town or municipality would be distributed to that town or municipality. All of the proceeds of the lodging tax would be used for the promotion of tourism and economic development and related costs.

A BILL TO BE ENTITLED AN ACT

Relating to Coffee County; to levy a lodging tax; and to provide for the collection of the tax and the distribution of the proceeds from the tax.

BE IT ENACTED BY THE LEGISLATURE OF ALABAMA:

Section 1. In Coffee County, in addition to all other taxes imposed by law, there is levied a privilege or license tax in the amount herein prescribed upon every person, firm, or corporation within the county engaging in the business of renting or furnishing any room or rooms, lodging, or accommodations to a transient in any hotel, motel, inn, tourist camp, tourist cabin, or any other place in which rooms, lodgings, or accommodations are regularly furnished to transients for a consideration. The amount of the tax shall be equal to four percent of the charge for the rooms, lodgings, or accommodations, including the charge for use or rental of personal property and services furnished in the room; provided, however, that there is exempted from the tax authorized to be levied under this section any rentals or services are required to be included in the tax levied by the state sales tax act. This tax shall subject to the same exemptions as the state lodging tax as provided in Chapter 26, Title 40.

Section 2. The tax authorized to be levied shall be collected as provided by the Coffee County Commission.

Section 3. The tax collected pursuant to this section shall be distributed in the following manner:

(1) One-half of the tax collected within the corporate limits of City of Enterprise shall be distributed to the City of Enterprise. The proceeds distributed to the City of Enterprise pursuant to this tax shall be held in a separate fund or account and used for the promotion of tourism and economic development and related costs at the discretion of the City Council.

(2) One-half of the tax collected within the corporate limits of any other town or municipality shall be distributed to such town or municipality for the promotion of tourism and economic development and related costs.

(3) One-half of the tax collected within the corporate limits of any town or municipality and any tax collected in the unincorporated areas of the county shall be deposited into the Coffee County General Fund to be used for the promotion of tourism and economic development and related costs at the discretion of the Coffee County Commission.

Section 4. This act shall become effective on the first day of the third month following its passage and approval by the Governor, or its otherwise becoming law.

TJ NORTHEY MEMORIAL SCHOLARSHIP APPLICATION DUE APRIL 22

TJ Northey Memorial Scholarship application available for seniors

The first annual TJ Northey Memorial Scholarship application is now available! Application deadline is Monday, April 22, 2019.

The Tate Jackson (TJ) Northey Memorial Scholarship Fund was established in 2018 in memory of Leigh and Mark Wicker's precious son. TJ Northey gained his heavenly wings on May 23, 2018, at the age of 8.

TJ lived big and loved bigger. His love and joy for life were contagious. He always found a way to have fun and live that moment the biggest way possible.

The Wickers go on living for TJ's memory to remind others of his joy, compassion, love for life, gentleness, kindness, and of the most beautiful smile that always lit up a room.

The annual scholarship was founded to keep TJ's memory and sweet spirit alive through providing assistance to deserving, joyful students following their dreams of attending college.

Eligibility Criteria:

- Students enrolled full-time as a high school senior, progressing normally toward graduation in the Spring/Summer 2019, with plans to enter college no later than the Fall following graduation

- A minimum grade point average (GPA) of 2.75 for graduating high school seniors

- Be a resident of or attend high school in one of the following eight Alabama counties: Henry, Houston, Pike, Coffee, Covington, Dale, Barbour, Geneva

- TJ Northey Memorial scholars are students who continually bring joy to others while exhibiting academic excellence, leadership skills and community involvement and who have a demonstrated financial need in order to attend college. They must demonstrate their desire and ability to bring joy to others whether it is through school interaction, club involvement, volunteerism, work involvement or extracurricular activities.

Application Deadline is April 22, 2019 – postmark deadline date; Address to Submit Completed Application is TJ Northey Memorial Scholarship, P.O. Box 292, Abbeville, AL 36310

Elba High Prom 2019 creates a magical night for juniors and seniors

by Ria Turk

Have you ever wondered what it takes to throw a beautiful night to remember? Many do not think about all that goes into creating a magical last dance for seniors before they graduate.

Let's face it - unless you are a teacher who is a prom sponsor or on the prom committee - all you will focus on is what to wear and where to go to eat on the big night.

This is my first time helping to decorate and plan prom. Although I have not been in on every decision, I have seen enough to realize that prom is a huge undertaking.

Planning starts as early as right after prom, when administrators decide when the next year's prom will take place. Then, before Christmas, fundraising begins. To have a nice prom, you need money to buy decorations, a DJ, refreshments, and other details that are important to help the prom move

The EHS Junior/Senior Prom was held in the Elba High School Commons on Friday, March 8th. The theme was "All of the Stars". Prom King was Richmon Singletary and Prom Queen was A'Maysia Whitfield.

Martin, prom sponsor, had juniors sell Boston Butts and Ribs to raise money. Juniors who sold enough did not have to pay for prom this year, and won't

enough had to pay the difference. Students who decided to not go to prom this year, but go next year only have to pay half of the amount next year.

Once the fundraiser is over, Martin had to order the meat, arrange for volunteers to cook the meat, arrange a cooker big enough for the amount of meat, and make sure all the meat was picked up/delivered.

Next on the agenda was the committee meeting to nail down details for the prom. The students had to decide what theme they wanted, what refreshments to arrange for, whether or not they would have t-shirts to celebrate the night, and how they wanted to enter the prom. Students looked through multiple prom books filled with various themes and kits that can be used for prom. Once they had an idea, they had to figure out the exact wording for the t-shirts and any banners.

Once planning is done, the prom committee focuses on creating ballots for Prom King and Queen. Mrs. Martin, on the other hand, makes sure that the

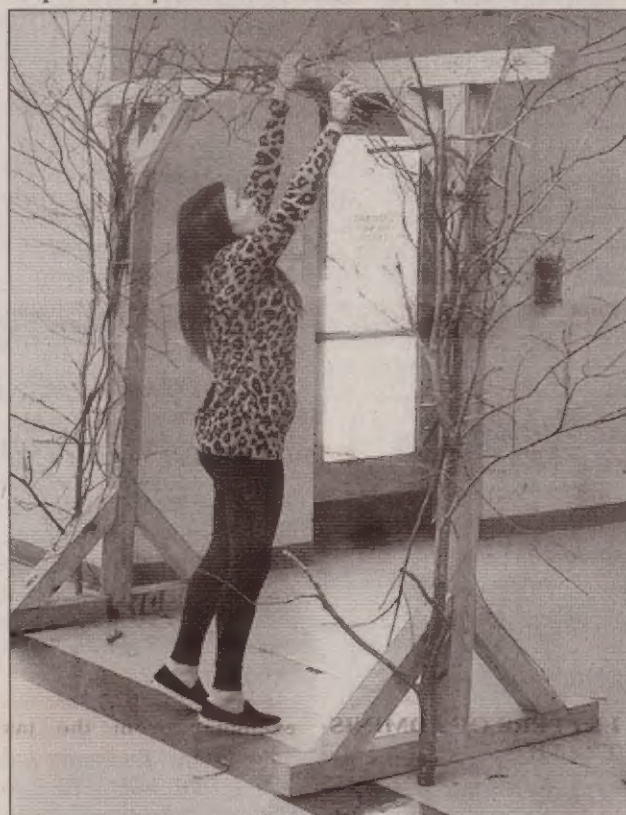

decorations are ordered and all arrive in time. She also searches for donations to help supplement the budget.

Finally, the big week is here! Prom Week! While many students are arranging to have nails and hair done, the Prom committee goes into high drive. A huge moon is created from wood and then painted. Branches of all shapes and sizes are gathered and glued to decorations. Walls are prepared for decorations. The ceiling is draped with gossamer, and the floor is covered with paper. Late nights are put in to get everything done. Tables are arranged and decorated. Punch is made and refreshments are laid out. Both teachers and student volunteers work together to transform the ordinary commons room into a magical, starry oasis.

When juniors and seniors walked into Prom, they were transported to an enchanted place and was able to dance under the stars. The special event looked wonderful and all the hard work paid off. The next day many reflected on the past night, but the prom committee will already look ahead to next year's event.

Christopher Gasca enjoyed his senior prom!

Elba High teacher Anna Marie Moore is shown decorating an arch for last Friday night's EHS Prom.

Views From The Pressbox

By Ricky Mularz, Sports Editor

Our grandson Lawson helped his Mom celebrate her birthday last weekend by buying himself a toy and then eating a hamburger while she celebrated her special day with a night out at a popular Mexican restaurant. She did get a big hug from her little man and he let us take a picture of the honored duo, but Melissa was glad to share the birthday and wouldn't have had it any other way!

For what it is worth....

*** *The Elba Tigers posted two big wins* last week over Dale County and Zion Chapel and are beginning to put everything together as area play draws near. The Tigers have combined excellent pitching with a solid defense and timely hitting to be the surprise team of the area, and now have many fans already talking about post-season play. There are a lot of games left on the schedule. However, right now the Elba Tigers do look like a playoff contender and the guess here is that they have a lot of wins left to hang up on the scoreboard.

*** *The Elba Lady Tigers got an unexpected week off* as they had two games rained out. The Lady Tigers certainly didn't expect, or want, an off week so soon in the season, but they did dodge the wet and cold weather and in the long run all that matters is that they work hard and improve and be ready to go come area tournament time in May. It is a long season and maybe the week off will prove to actually be a plus for the girls when the hot weather rolls in.

*** *It was an active week for the teams in the area* in both baseball and softball. In baseball, Brantley ran its winning streak to six games with some impressive wins over New Brockton and Opp, while the Gamecocks lost to Brantley and Falkville and all of the sudden don't appear quite so overpowering. Kinston lost to Red Level in an upset, and Zion Chapel suffered through a winless week. Over on the softball field, Kinston made some noise with a second place finish in a tournament in Wicksburg, while Brantley got roughed up a little at a tournament in Wetumpka, New Brockton began to round into a solid team and Zion Chapel got a much needed win over Pike County. If you want to get some fresh air or want to support your favorite teams, now is the time to head to the park and watch some baseball or softball.

*** *I watch a little college basketball* when I get the chance, but am more than ready for Major League Baseball to get started and to get back in my nightly habit of watching the Braves. I know Atlanta didn't spend much money in the off-season in an attempt to load up the bullpen or add a couple of bats, but the Braves are still on TV almost every night during the season and I am a fan that tries to not miss a game. C'mon, let's get this thing started.

*** *In closing....* a rumor is circulating that the Elba Tigers and New Brockton Gamecocks will get together this spring for a football game. Word is that the game will consist of two quarters of varsity competition and two quarters of junior varsity action, and the game will be played in New Brockton. I will check this week with Coach Pate Harrison to get the low down on the game, and to see if the rumor is true.

If it is true, maybe it can lead to the renewal of the series between the Tigers and Gamecocks on the gridiron, as well as spark new interest into renewing the series with Zion Chapel. Both teams should be on the schedule!

Continue winning ways

Elba Tigers zap Zion Chapel 8-2

The Elba Tigers continued their recent winning ways Friday night with a big 8-2 road win over the Zion Chapel Rebels.

The Tigers pulled ahead early in the clash with their cross-county rivals and pulled away late to claim the impressive win.

Blake Swan had 2 hits,

knocked in 3 runs and was the winning pitcher as he tossed 6 and 2/3 innings and recorded 12 strikeouts. Carson Wise added 1 hit and drew 2 walks, while Byron Johnson added 1 hit, and Trenton Sanders and John Martin Wilson both added 1 rbi.

Tigers tame Warriors 5-4

The Elba Tigers hosted the Dale County Warriors last Monday night and gave the fans their monies worth as Blake Swan ripped a game-winning hit in the bottom of the eighth inning to lift the Tigers to an exciting 5-4 win.

Swan's walk-off hit drove in John Martin Wilson, who walked to open the inning and moved

to second on a walk to Carson Wise.

Swan had two hits, including a double and two runs-batted-in to lead Elba at the plate, while Byron Johnson and Iverson Lane both added one hit and one rbi. Trenton Sanders was the winning pitcher as he tossed two hitless innings with three strikeouts out of the bullpen.

Elba Tiger baserunner heads down the line after a base hit in last week's 8-2 win over Zion Chapel. The Tigers will open area play Thursday at home against Brantley.

Elba Tiger JV pitcher winds up in recent baseball action.

(Photo by BC Sports Photography)

Former Elba Tiger stand-out and 18-year coaching veteran Rudy Free has been named as the new head football coach and athletic director at Kinston High School.

Free will become the fifth head coach at Kinston over the past five years and will follow George Kennedy, who served in the capacity last season as a contract coach. Previous to Kennedy's one-year stay, the Bulldogs were led by Jason Wambles, Jonny Mitchell, and Jon Cooper.

"I am very excited to be the new head coach at Kinston," stated Free in a published interview. "I am ready to get going. Since last summer I have been looking to get closer to home and now I get that chance and get to lead a great group of young men at a school that is filled with pride and character. I was driving about 45 miles back and forth to Luverne the last four years and I am so thankful this position came open and I was given the opportunity to become the new head coach. Kinston has lacked stability the last few years in its football program and hopefully I can provide some stability for the football program and the entire athletic department."

Free's coaching resume includes a five-year stop at Geneva High School, three years at Elba High as defensive coordinator, three years as the head football coach at Arton, one year as the defensive coordinator at Cottonwood, three years at back at Geneva and the last four years as the defensive coordinator at Luverne.

Coach Free is the father of four boys that attend school at Kinston and he and his family have been active in church in the Kinston area for a number of years. The area is home to the new Bulldog coach, who grew up between Kinston and Elba and graduated from Elba High School.

"We wanted to be involved in the community," added Free. "Our family loves living here and they didn't want to move. This now gives us a chance to be more involved in the

community, the school and join other families to become a part of something that we have been longing for, a place to call home."

"One of the things I want to stress here is to control what you can control," said Free. "That is your attitude, being on time, being there every day, showing up to work, working hard in the classroom, on the field and in the weight room, and being a good teammate. When you do those things good things usually happen. I want to build the program from the bottom to the top, starting with the recreation league to the junior high and on to the

varsity. I want to bridge the gap between the programs. Many times you lose some kids from the recreation teams to the junior varsity level, and lose some more from the junior varsity level to the varsity. Hopefully we can fill in those gaps and build a common theme to be a Bulldog."

After 18 years in the coaching profession, Coach Free stated he hopes that Kinston will be his final stop.

"This is a great school and I hope I can settle down and finish my time here," he said.

UDC district meeting held February 23rd in Andalusia at Springdale Estate

Members of the Gen. Edmond Winchester Rucker Chapter 2534, United Daughters of the Confederacy® ("UDC"), of Enterprise recently attended the General Henry D. Clayton District meeting, hosted by the Thomas Randolph Thomasson Chapter 2471 of Andalusia. The meeting was held Saturday, Feb. 23, at the Springdale Estate in Andalusia.

The Clayton District consists of five Chapters: General William C. Oates 1342, Dothan; Captain Stouten Hubert Dent 2669, Eufaula; Stonewall Jackson 667, Ozark; as well as the Rucker Chapter in Enterprise.

Registration and fellowship began at 10 a.m., and light refreshments were served as members enjoyed renewing old friendships and meeting new members from other Chapters.

Donna Clark, district director and member of the Rucker Chapter, presided over the meeting. Other Clayton District officers

are: Pat Richter, co-director; Tammie Evans of Andalusia, secretary; Helen Crowe of Eufaula, chaplain and Sarah Fowler of Dothan, parliamentarian. Special guests for the meeting included Alabama Division President Suzanna Rawlins, Division Second Vice President Laura Womack-Rowell and Division Assistant Registrar Sherry Clayton.

Director Clark announced award certificates received by the Clayton District at the 2018 Division Convention: Annie Walker Broyles Trophy for the District sending in the Best Report for work accomplished 2017-2018; Idyl King Sorsby Trophy: through whose influence statewide interest in Alabama Day has been most fittingly observed; and a special award was presented for placing nine iron crosses honoring Confederate soldiers.

Business for the day consisted of reports from each Chapter President; giving

Gen. Edmond Winchester Rucker Chapter 2534, United Daughters of the Confederacy®, Chapter members who attended the Clayton District Meeting were (from left): Patsy Stephens, Laura Womack-Rowell, Cathy Odom, Norma Riley, Georgia Fleming, Donna Clark and Pat Richter

information about their activities since the last District meeting in February 2018. Chapter Presidents presenting reports were: Linda Castleberry, Thomasson Chapter; Mary Ellen Sanders, Oates Chapter;

Georgia Fleming, Rucker Chapter, Mary Williams, Dent Chapter and Martha Smith, Stonewall Jackson Chapter.

Other business included the election of a Nominating Committee for 2020-2022 District officers. One person from each of the five chapters was elected to serve on that committee and will report at the 2020 Clayton District meeting.

Castleberry introduced Aurelia Scherf, granddaughter of John G. Scherf, owner of the Springdale Estate. Aurelia gave information about her grandfather and her family.

Scherf came to the United States from Germany just before World War I. In Germany his family owned a stocking and glove business but he was a

civil engineer by trade and worked for a company that had an office in New York City enabling him to leave Germany and come to New York. He soon moved south to North Carolina where he married Ruth Leona Gibson. He eventually moved to Atlanta then Kansas and then was offered a position in Andalusia.

In the 1920s, J. G. Scherf founded AlaTex Textile Mill; a thirty-five-acre complex on River Falls Street. In its heyday the company produced millions of Arrow men's dress shirts, private label shirts for department stores and other apparel; generations raised families, sent children to college and built a community by working at AlaTex. Today it houses the Chamber of Commerce and

Welcome Center offices.

He is the longest serving mayor in Andalusia history; serving 4 terms. Under his administration a city library was founded and streetlights were installed.

In 1935 he had his home, Springdale Estates, built. It has 5,630 square feet, five bedrooms and five baths. It is heated and cooled by its original geothermal system. The estate is bordered by an iron fence. During World War II the fence materials were donated to the military. After the war the fence was rebuilt.

After the program Chaplain Crowe, assisted by Richter and Evans, held a Memorial Service for two members of the District who passed away since the February 2018 District meeting. Faye Stockman Grantham of the Rucker Chapter and Collier Grider of the Andalusia Chapter were remembered.

General William C. Oates 1342 of Dothan was again presented with the Caroline Dent McDowell Memorial Gavel for the greatest attendance on a percentage basis; 36% of their members were in attendance.

Donations were collected for the Alabama Division President's Project. This year the project is the replacement of markers in the Alabama section at the McGavock Cemetery in Franklin, Tennessee. The McGavock home served as a hospital during the Battle of Franklin. After the battle Mrs. Carrie McGavock searched for and interred as many Confederate soldiers in an area of her property dedicated to the Confederate soldiers who lost their lives in the battle. \$210.03 was collected by those in attendance.

After the adjournment, a delicious meal of barbecue, loaded potato salad, baked beans, coleslaw and a large array of desserts were served and enjoyed by all. The ladies were allowed to tour the house and enjoyed the fellowship with friends.
